Work on the Edward Johnson Building for the Faculty of Music nears completion. A corner of the building with stage tower to right.

## THE FACULTY OF MUSIC

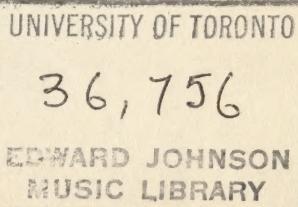

New horizons open to musical study at the University of Toronto as the Faculty of Music moves to its new Edward Johnson Building for the Session 1962-1963.

The culmination of three years of investigation and planning, the new building offers facilities which should be second to none on the continent. The building is sound-proofed, air-conditioned. Its features include forty individual practice rooms; classrooms equipped for the use of tape and disc recording, along with the most modern visual aids; individual lockers for full time students; common rooms; recording control rooms; special sections for instrument storage and repair. The department of Electronic Music has its own laboratories and studios in the building.

The entire third floor is devoted to the Edward Johnson Memorial Music Library, the nucleus of which is Dr. Johnson's own priceless collection of scores and books, contributed during his lifetime. The shelves can accommodate over 75,000 books, scores and records; and the Library, in addition to an extensive reading room, has individual listening cubicles and sound-proof booths for both monaural and stereophonic listening; workshops, and a seminar room.

Most striking features of the building are the two auditoria. The larger is designed specifically for opera, but will also be used for orchestral concerts. It seats 850, and the pit will accommodate 85 musicians. The smaller auditorium seats 500, and will be used for recitals, especially those by students.

The building is located on the North Campus of the University, on a rising slope, where the tower of the opera house is already a feature of the landscape. It is close to many of the residences, and also to the colleges in which Music students receive instruction in academic subjects by the Faculty of Arts and Science.

## COURSES OF INSTRUCTION

### COURSES LEADING TO THE DEGREE OF BACHELOR OF MUSIC

The Faculty of Music offers one three-year and one four-year residence course, each leading to the degree of Bachelor of Music (Mus.Bac.).

The three-year course in General Music provides professional training in the theoretical aspects of music with specialization in either Composition or History and Literature of Music. Students in this course are prepared for a variety of careers for which a foundation in general musicanship is essential.

The four-year course in Music Education stresses the practical aspects of instrumental and choral training which supplement theoretical and academic core subjects. It provides for the preparation of teachers of music in the schools with special emphasis on secondary school work. Graduates who desire to qualify as teachers of music in schools must spend a session at a teacher-training institution: the Ontario College of Education (for secondary schools), Teachers' College (for public schools), or similar institutions in other provinces. Full information regarding the requirements for admission to these institutions may be found in either the calendar of the College of Education, 371 Bloor Street West, Toronto, the pamphlet "Teaching in the Elementary Schools" obtainable from the Ontario Department of Education, Parliament Buildings, Toronto or by writing to the Department of Education in the province concerned.

### COURSES LEADING TO THE ARTIST AND LICENTIATE DIPLOMAS

The Faculty of Music offers two three-year residence courses leading to the Artist and Licentiate diplomas.

The Artist Diploma course is designed for especially gifted singers, instrumentalists, organists, and composers who are sufficiently advanced to be able to prepare themselves, under the guidance of artist teachers, for a professional career.

The Licentiate course (in piano, violin and voice) combines vocal or instrumental training with instruction in pedagogy to prepare the student for a career as a private teacher.

### COURSE LEADING TO THE DEGREE OF BACHELOR OF ARTS

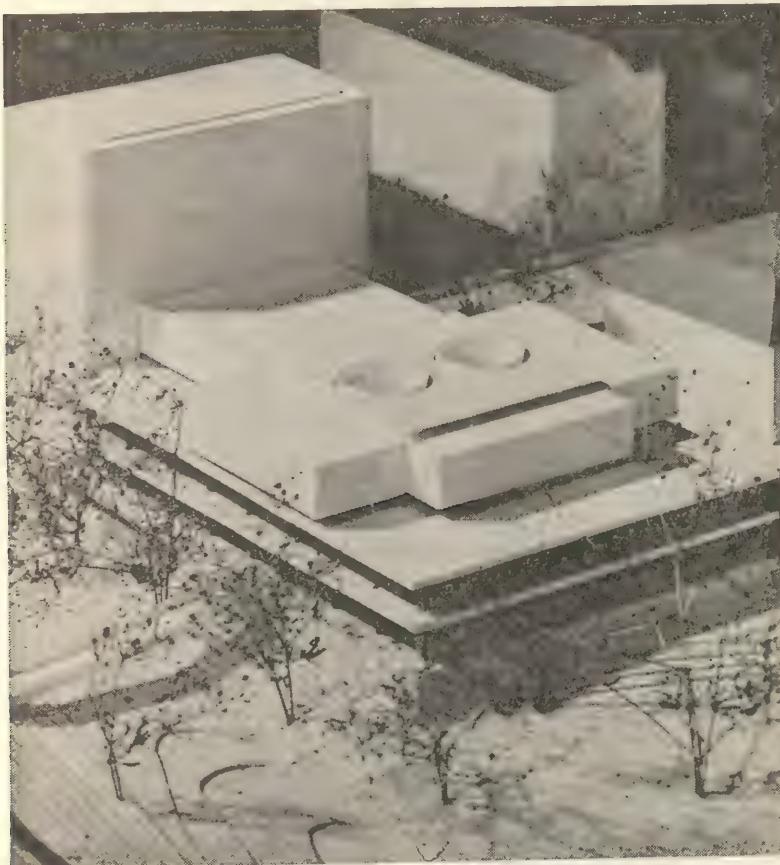

The Faculty of Music, through the Faculty of Arts and Science, offers instruction in a four-year residence course with honours in Music, leading to the degree of Bachelor of Arts (B.A.). This course emphasizes the theoretical, historical and philosophical aspects of music; combined with language study, it constitutes an excellent preparation for graduate studies in Musicology. Information regarding content and requirements for admission may be found in the calendar of the Faculty of Arts and Science.

## COURSES LEADING TO THE DEGREE OF MASTER OF MUSIC

The Faculty of Music, through the School of Graduate Studies, offers residence courses leading to the degree of Master of Music (Mus.M.). The student will do advanced work in one of the following fields of concentration: Composition, History and Literature of Music (Musicology), or Music Education.

## THE DEGREE OF DOCTOR OF MUSIC

The Faculty of Music provides examinations for the degree of Doctor of Music (Mus.Doc.) which is awarded through the School of Graduate Studies. It does not, however, provide instruction in the subjects covered by examinations.

After this date, registration can be effected only by petition to the Council. A student who fails to register at the prescribed time will be required to pay a late registration fee of \$10.00.

### PROCEDURE FOR TRANSFERS AND WITHDRAWALS

A student desiring to transfer to another Division of the University or to withdraw from the University, must surrender his Admit-to-Lectures Card to the appropriate officer of the Division concerned and must complete withdrawal forms and such other formalities as may be required by the University. In order that adjustment of fees may be made, notice of transfer or withdrawal must be completed without delay. In the case of a student who wishes to transfer to another Division at the time of first admission to the University, it is required that such a student apply for an amended admission letter to the Registrar of the University.

### ATTENDANCE AND DISCIPLINE

Each student enrolled in the Faculty of Music (degree and diploma courses) is required to be in full-time attendance at all prescribed lectures, classes, lessons and rehearsals.

A student whose attendance at lectures or laboratories, or whose work, is deemed by the Council of the Faculty to be unsatisfactory, may have his registration cancelled at any time by the Council of the Faculty.

### DEBARMENT REGULATIONS OF THE UNIVERSITY

Subject to other statutes and regulations of the University,

- (a) any student who on two occasions fails to secure the right to advance to a higher year in University work shall be debarred from registration in the University.
- (b) any student in any undergraduate degree or diploma course in the Faculty of Music who withdraws after February 15, or who does not withdraw but does not write the annual examinations, shall be regarded for the purposes of debarment from the University as having failed his year.
- (c) Petitions relating to the debarment regulations will in the first instance be submitted by the appellant to the Office of the University Registrar for consideration by the Senate's Committee on Application and Memorials.

### HEALTH REQUIREMENTS

Every person admitted to the University as an undergraduate must, at the time of his or her first medical examination by the University Health Service, present satisfactory evidence of successful vaccination, or must be vaccinated by the examining physician.

## PHYSICAL EDUCATION

By order of the Board of Governors each first year student in a degree course must register for, and satisfactorily complete, the University requirement in Physical Education. This requirement includes a medical examination by the University Health Service. Each year a failure to fulfil the regulations renders the student liable to a special fee of \$50.00.

Physical Education credits may be earned by participation in intercollegiate and intramural sports, swimming, water safety, and instructional classes.

Exemptions: (1) one year's satisfactory standing in physical education at this or any other University (2) if age is 30 years or more (3) ex-military service (4) completion of one year's course in the U.N.T.D., C.O.T.C., or U.R.T.P. (5) exemption by the University Health Service (6) special consideration.

## EXAMINATIONS

The annual examinations will take place at the University beginning on April 15 (degree courses) or April 29 (diploma courses). Applications for these examinations must be submitted to the Secretary by January 18.

Supplemental examinations will be provided in August\* for candidates who are conditioned. These examinations will be held at the University\* and at the following centres: Vancouver, Edmonton, Calgary, Saskatoon, Regina, Winnipeg, Kenora, Port Arthur, Sault Ste. Marie, Kapuskasing, North Bay, Kirkland Lake, Windsor, London, Kingston, Ottawa, Montreal, Quebec, Fredericton, Halifax, Charlottetown, St. John's (Nfld.). Permission to write at one of these centres must be requested when submitting the examination application. Candidates at outside centres will be required to pay the Presiding Officer's fee. Applications for the supplemental examinations must be sent to the Secretary by July 1st.

*Note: Students are cautioned that, in courses where standing is granted on the basis of a term mark only, supplemental examinations are not usually provided. Failure to obtain standing in such subjects may make it necessary to repeat the course during a subsequent session. In some cases this would mean the student would be debarred from entering the next higher year until the condition was removed.*

Each student in the First Year of the Artist and Licentiate Diploma courses must present himself at the end of the academic year for an examination in performance on his major instrument or in voice. Requirements for this examination will be determined by the Director in consultation with the representatives of the Piano, String, and Voice teachers. A student may, in addition to the examination, be given the opportunity of presenting a recital if recommended by his teacher.

Each student in the Second Year of the Diploma Courses will be required to present a recital during the academic year, this recital to be evaluated by examiners and the results considered with those of the student's other subjects.

*\*Supplemental examinations in Ear Training, Keyboard Harmony, Conducting, Instrumental Class and Diploma Course subjects will be provided in Toronto only and held during the month of September.*

## AEGROTAT STANDING

Representations on the part of candidates with regard to the examinations and applications for consideration on account of sickness, domestic affliction, or other causes, must be filed with the Secretary before the close of the annual or supplemental examination period together with doctor's certificates or other evidence.

## STANDING IN THE YEAR

To obtain standing in any year, a candidate may not fail more than two subjects, provided that the total number of hours does not exceed six in the subjects conditioned. A candidate who is conditioned at an annual examination in a subject indicated in *italics* on pp. 27 to 35 must obtain standing in this subject at the supplemental examination in order to be eligible to enrol in the next higher year. Not more than one non-italicized subject may be carried as a condition into the next higher year. A candidate must obtain complete standing in the First Year before he may register in the Third Year.

A student failing to obtain standing in a year's work will be permitted to repeat the year only once unless special permission is granted by the Council of the Faculty of Music.

## STANDING IN A SUBJECT

To receive credit in any Music subject, a candidate must obtain at a final or supplemental examination at least sixty per cent of the examination mark and at least sixty per cent of the aggregate of the term and examination marks.

To receive credit in an Arts subject other than English, a student must obtain at least fifty per cent at the final examination in the subject as well as fifty per cent of the aggregate of the term and examination marks. In the case of English, a candidate must obtain at least fifty per cent in term work as well as at least fifty per cent in the final examination. When a term mark falls below fifty per cent, the candidate must obtain a satisfactory term mark in a subsequent academic year under conditions to be determined by the staff concerned, and subsequently must pass a supplemental examination in the subject.

A student who has been granted credit in a prescribed subject or subjects in the regular curriculum, may petition the Council for permission to substitute other subjects in their stead.

## PERFORMING ORGANIZATIONS

### OPERA SCHOOL

Since its inception in 1946 the Royal Conservatory Opera School has played an important role in the development of opera in Canada. It trains students in all phases of operatic production and serves, in particular, as a source of talent for the C.B.C. Opera Company and the Canadian Opera Company. Opera School students often perform in complete operas and present programmes of operatic excerpts in out-of-town centres. It is significant that many graduates of the School are now members of leading companies both in North America and Europe.

Through the years the Opera School productions at Hart House Theatre have aroused growing public interest. Productions have included traditional operas as well as contemporary and seldom-played works of unusual interest, some of which have been first Canadian performances.

Students in the solo class receive specialized training. They are all individually coached and, in addition, attend regular classes in operatic repertoire, in stage deportment, and in the technique of acting. They are cast as soloists in stage productions, and also attend all chorus rehearsals. The chorus class holds weekly evening rehearsals and participates in various broadcasts and stage productions.

## ROYAL CONSERVATORY SYMPHONY ORCHESTRA

The Royal Conservatory Symphony, conducted by Dean Neel, Principal Mazzoleni and Maestro Barbini, holds weekly rehearsals. During the year selected student soloists perform concertos with full orchestra. Music chosen is varied so as to allow particularly broad and intensive training in sight-reading. In addition to the classic repertoire, the orchestra has consistently introduced music not generally known to students or concert audiences.

## ROYAL CONSERVATORY CHOIR

The Royal Conservatory Choir, Dean Neel and Principal Mazzoleni, conductors, rehearses weekly, and frequently appears in joint concerts with the Conservatory Symphony Orchestra.

## UNDERGRADUATE ASSOCIATION

The Undergraduate Association is the official undergraduate organization in the Faculty of Music.

The object of the Association, as stated in its Constitution, is "to promote the interests of undergraduates in the Faculty of Music, to cultivate relations between the faculty and the student body, to encourage the participation of the student body in University activities, and to further goodwill among the members themselves."

The officers are elected annually and consist of the President, the Vice-President, the Secretary, the Students' Administrative Council representative and an Executive Committee composed of members representing each year and course. One member of the faculty is chosen annually by the officers of the Association to act as an adviser to the Association.

## PUBLIC RELATIONS OFFICE

Concert engagements outside the Faculty, for leading students and recent graduates, are arranged through the Public Relations Office. Requests are filled for oratorio and other soloists, choristers, organists, accompanists and musical performers in all categories. The Bureau also fills teaching engagements, and provides assistance in securing summer employment.

## LIVING ACCOMMODATION

### WOMEN STUDENTS' RESIDENCE

A limited number of music students are accommodated at the University Women's Residence, 99-101 St. George Street, Toronto, 5. Applications should be made to the Residence Supervisor at that address as early as possible.

Residence fees, including room and meals, are \$585.00 for the academic session. Fees do not cover laundry service, but a laundry room is available to students.

The residence is closed during the Christmas vacation, and arrangements must be made for accommodation elsewhere during that period.

## OTHER ACCOMMODATION

For other living accommodation inquiry may be made from the following sources:

**WOMEN** (Residences maintained by the various Arts Colleges):

*University College*—Dean of Women; *Victoria College*—Dean of Women; *Trinity College*—Registrar; *St. Michael's College*—Head, St. Joseph's College, Queen's Park or Head, Loretto College, 86 St. George Street.

**MEN** (Residences maintained by the various Arts Colleges):

*University College*—Dean of Men; *Victoria College*—Senior Tutor; *Trinity College*—Registrar; *St. Michael's College*—The Superior, St. Michael's College.

The University Men's Residence for undergraduates of all faculties, apply to Secretary, Residence Committee, Simcoe Hall. An early application is advisable.

## HOUSING SERVICE

For those students who are not accommodated in the University and College residences, the Students' Administrative Council prepares annually a list of rooming houses, flats, apartments and homes. This list may be consulted at the housing office in The Students' Administrative Council building after August 1st and throughout the session.

To meet the housing shortage in Toronto, the Students' Administrative Council has greatly expanded its Housing Service. Every effort is being made to provide family accommodation for married students. Information may be obtained from the Students' Administrative Council's Housing Service office, the Observatory, University of Toronto.

Through this service many opportunities have been afforded students, including students who are married, to obtain lodgings and board in exchange for part-time service. Students desiring this type of accommodation are asked to indicate this when they apply.

Students should be prepared to meet their living expenses, at least for the first year; they cannot expect to earn their living while studying.

Applicants for scholarship and bursary aid are advised that many awards—particularly the Dominion-Provincial Student Aid Bursaries and the University of Toronto General Bursaries—are not granted until well after the opening of the academic year. For this reason, all students should be prepared to pay at least the first instalment of fees, which is a University requirement to complete registration.

## FINANCIAL AID

### SCHOLARSHIPS/PRIZES, BURSARIES AND LOAN FUNDS

There are three types of financial aid for undergraduates—Scholarships/Prizes, Bursaries and Loan Funds. The University, the Federated Universities and Faculties, as well as the Provincial government and other agencies have funds to provide these types of aid.

In the Faculty of Music, certain types of award apply to *degree courses only*, while others are available *only to diploma course students*.

Financial aid is not available to students in cash prior to registration at the University, although the value of awards so made will be applied against fees.

A *Scholarship/Prize* is an award given to a student of high academic achievement and normally the financial need of the student is not taken into account when considering his qualifications for these awards.

A *Bursary* is an award to a student who can show that financial assistance is needed in order to proceed with his education. He must, of course, also show that he is capable of benefitting from further education, although the academic standard required is normally not as high as that needed for a Scholarship.

*Loan Funds* are available to students who wish to use them to provide emergency financing or to provide additional funds above any Scholarship or Bursary assistance received. The student must complete a formal loan agreement with the University or other lending body.

### ADMISSION AWARDS

#### (FOR STUDENTS ENTERING FIRST YEAR OF A DEGREE COURSE)

Many admission awards are available to students entering degree courses in the Faculty of Music. Information may be obtained from high school principals and guidance counsellors, or may be found in the publication "Admission Awards, 1961-2" available from the Registrar of the University.

Some admission awards provide for continuation of grants into the second, third and fourth years of degree courses if the scholar maintains a satisfactory academic record.

### AWARDS TO STUDENTS IN SECOND AND HIGHER YEARS OF DEGREE COURSES

Application forms for incourse awards may be obtained from the Office of the Secretary, Faculty of Music. The forms, when completed in duplicate, enable the applicant to compete for all awards for which he is eligible, with certain exceptions, such as Dominion-Provincial Student Aid bursaries.

In order to be eligible for a prize, scholarship, bursary, fellowship or other award granted solely upon standing obtained at an annual or special examination or upon an essay, or term work, or other academic rating, a candidate must obtain first class honours at such examinations, etc., unless the statute

respecting the award specifies that standing lower than first class honours may be accepted.

When an award is granted upon standing obtained on part of the work of any academic year, the candidate must obtain standing, but need not obtain honours in the work of the academic year as a whole, provided he obtains honours in the part concerned, unless the statute respecting the award specifies otherwise.

No award except a bursary will be granted to a candidate who is conditioned in any subject at an annual examination, unless the statute respecting the award specifies otherwise.

A candidate who has spent two sessions in any year of any undergraduate course is not eligible to compete for any award except a bursary at the annual examinations of that year.

Unless otherwise specifically provided, any award in the gift of the Senate shall be tenable with any other award or awards.

Awards will be paid (I) if of the value of \$100 or less, in one instalment on November 20, and (II) if of the value of more than \$100 in two equal instalments, the first on November 20 and the second on January 20 in the session following the granting of the awards.

## THE DEGREE OF MASTER OF MUSIC

### REGULATIONS

1. The degree of Master of Music (Mus. M.) is offered in Musicology, Music Education, and Composition.
2. Candidates are accepted under the General Regulations of the School of Graduate Studies (paragraphs 1 to 9 of the calendar of the School of Graduate Studies, to which all prospective graduate students are referred). Applicants in Composition must submit, together with their academic credentials, several original compositions, at least one of which shall be for orchestra.
3. Candidates shall pursue in the graduate department of music an advanced course of study which must be approved by the department and by the committee administering the regulations governing the degree of Master of Music.
4. Candidates with first or second class honours in the final year of an honour course of this University, or with equivalent standing from another university, will be eligible to enrol for a one-year Master's programme provided it is the continuation of a course of study previously pursued as an undergraduate. Exceptionally, applicants with third-class honours may be admitted on the recommendation of the department.
5. Graduates of a general course of this University with A or B standing in the final year and students with equivalent standing from another university will be eligible to enrol for the two-year programme. The programme for the first or qualifying year will be the equivalent of a full year of Honour course work. This programme may include graduate courses and research if the department so recommends. Upon successful completion of the qualifying year, the candidate will proceed to a second year, the programme of which will be that required of Honour course graduates as described in paragraph 4 above.
6. A minimum of four full graduate courses is required for the degree. The work for the degree may be extended over a period of years in excess of the minimum stated in the regulations above.
7. All candidates will prepare a graduating thesis under the direction of an advisor. In composition, this will be an original work in a large form. The proposed title of the thesis or plan of the composition shall be submitted for approval before November 1 of the academic year in which the candidate expects to obtain the degree. Two bound copies must be submitted by April 1st in order to graduate at the Spring convocation.
8. A reading knowledge of German or Italian is required in musicology. Satisfactory fulfilment of this requirement must be certified by the appropriate department of the University by the fall of the graduating year.
